Growing together in our Love for God, Learning and Life

If I haven't had the opportunity to speak to you yet this term - welcome back. It is wonderful to have all our children back in school - the building feels alive again.

Thank you so much for the support with face coverings, staggered starts/ends of the day etc. Your co-operation helps keep everyone safe and keep school open. We will be publishing a range of documents to support you through the coming weeks/months to navigate the COVID pandemic and help you prepare for future times of isolation and local/national lockdowns. Please keep an eye on Facebook, the website, letters sent home and the notice board and share information with other parents or family members who visit school. Thank you.
