We have scheduled the first link for 3.30pm this Friday.

Unfortunately Mrs Axon has had a call from Test and Trace and has been advised to self isolate for 14 days as a precautionary measure.

Growing together in our Love for God, Learning and Life

During lockdown Teyla decided to try and raise as much money as possible for Derian House which is a charity that provides support to children, young people and their families in the North West. She realised they could not hold their usual charity events due to Covid 19 to raise vital funds. Teyla started her target at £100 and managed to raise an amazing £250 by asking family and friends for donations. In return for people's generosity she is donating 7 inches of her hair to the little princess trust to help provide wigs for poorly people.

This charity cut takes place on 29 September.

Also whilst doing school work at home during lockdown, Teyla's class learnt about the rainforest. Teyla learned about how much of the rain forest was being lost due to deforestation which has impacted on habitation for wildlife. So she is also donating her spending money every month to the WWF (World Wide Fund for Nature) to adopt a tiger. She has received a pack full of information on what we can do to help nature and our planet. Well done Teyla, we are proud of you.

Due to a variety of severe allergies in school, please can ALL parents ensure that NO NUTS of any kind are used in packed lunches or snacks.

This includes foods that may contain nuts, for example Nutella spread. Thank you for your support.
