Growing together in our Love for God, Learning and Life

Harvest Festival 2020

This week Year 5 did an assembly about Harvest time. We acted out a story. The moral of the story was that if you sow seeds of honesty, integrity, kindness, goodness, bravery and courage, then eventually you will reap many, many rewards in life. But if you sow seeds of lying, cheating, boasting and arrogance ... well, watch out! You may well end up reaping trouble for yourself, just like Sir Prance-a-lot did.

By Scarlett and Charlie, Year 5

Thank you very much for your kind donations which will be taken to Crossroads.

Right Start - Stage 3

This week our Year 2 children have taken part in Lancashire County Council's Stage 3 Right Start Child Pedestrian Training Programme. They have had the safety messages reinforced that they learnt during Stage 1 and 2, which taught them to keep themselves safe when out and about in the traffic environment; how important it is that they stop behind the kerb and both look and listen before crossing the road with a responsible adult that they know and how they should play in a safe place away from traffic and wear bright clothing. They have also been taught to look for a 'safer place' to cross such as zebra crossing, pelican crossing, traffic island, etc. and that whenever possible they should cross away from parked cars. They can also now recognise the signals that cars give – indicators, break lights, reverse lights, etc.

Please can you continue to reinforce these messages when out and about with your children. Thank you for your support.

Due to a variety of severe allergies in school, please can ALL parents ensure that NO NUTS of any kind are used in packed lunches or snacks.
 This includes foods that may contain nuts, for example Nutella spread. Thank you for your support.
