2 Right Start Child Pedestrian Training Programme

This week our Year 1 children have taken part in Lancashire County Council's Stage 2 Right Start Child Pedestrian Training Programme. They have had the safety messages reinforced that they learnt during Stage 1, which taught them to keep themselves safe when out and about in the traffic environment; how important it is that they stop behind the kerb and both look and listen before crossing the road with a responsible adult that they know and how they should play in a safe place away from traffic and wear bright clothing. They have also been taught how to cross safely with the help of the School Crossing Patrol. How they should always stop at the kerb and wait until they are told to cross and the importance of still looking and listening for themselves. Please can you continue to reinforce these messages when out and about with your children

Growing together in our Love for God, Learning and Life

Half-Term Holiday

School breaks up for half term after school next Friday, 23 October for one week. We re-open on Monday, 2 November 2020.

Bag2School

The Bag2School collection this week raised £63 for the Friends of St Nicholas. Thank you very much to all who donated.

Parents' Evening

We're afraid this term we are not going to be able to welcome adults into school for parents' evening, as in previous years. We are sorry but we are unable to hold face to face meetings, but still believe it is important that we report to parents to share (and celebrate) how children are getting on in school.

This term we are proposing to have an online chat or a phone conversation with parents. This will be on Wednesday 25 November and more information will be coming home after the half term break. Hopefully, later in the academic year we can return to a more 'usual' form of reporting to you.

Remembrance Day Goods

After half term we will be selling items in school on behalf of the Royal British Legion, eg poppies, zip-pulls, poppy reflectors and silicone bands.

Due to a variety of severe allergies in school, please can ALL parents ensure that NO NUTS of any kind are used in packed lunches or snacks.

This includes foods that may contain nuts, for example Nutella spread. Thank you for your support.
