

Elliott in Year 2 has been enjoying learning about birds so much that he decided to invite a penguin round to his house to learn more. They had a lovely time together and Elliott did some fabulous writing about penguins!

Please see the 2 extra pages of this week's newsletter some more lovely tributes to Captain Tom and some beautiful dragon artwork from Year 6 pupils.

♥ As part of Children's Mental Health Week why not try these conversation starters together at home?

Growing together in our Love for God, Learning and Life

Hello everyone

We want to say a great big thank you for continuing to support us during these difficult times. We know how challenging it must be to juggle home schooling and working from home so we want to say thank you to every one of you for doing everything you can to support your child's education. All of our staff in school are working incredibly hard to ensure that those who are accessing remote learning are getting exactly the same work as those who are currently in school.

We wish you all a relaxing weekend. We are all trying to make the best of this difficult situation and hopefully you can still have some fun times with your families.

Please remember to take a look at Mrs Axon's worship on Showbie!

Father Neville Ashton

We are very sad to let you all know that Father Neville Ashton has passed away.

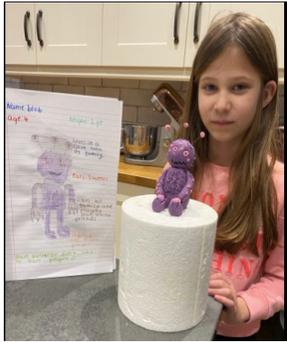

Father Ashton was a huge part of our school for many years as Chair of Governors and a great friend to all. He was Rector at St James Church Kirk for more than 30 years, before retiring in 2015.

We will remember him fondly in our thoughts and prayers.

UPDATE ON DEREK :)

Just to let you all know we have been in touch with Derek, our lollipop man, and he is getting better and feeling stronger every day. Hopefully he'll be back looking after us crossing the road before we know it! :-)

Year 3 children have made some wonderful monsters both at home and in school!

100-word challenge from Year 6

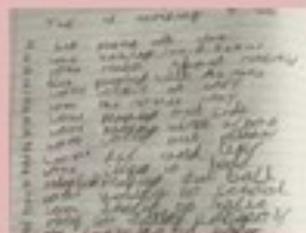

Sir Captain Tom, what a man,
The UK became his biggest fan,
A hundred laps of his garden he did walk,
As he raised money, we all began to talk,
Millions upon millions of money he did raise,
When he completed the task, the Queen did praise,
He served in the British Army during the war,
100 years young was Captain Tom Moore,
Inspiring a nation as we took him in our heart,
Motivating the people to do and take part,
Captain Sir Tom had many a talent,
From singing the song to being very gallant,
You'll Never Walk Alone.

Leighton wrote a 100 word acrostic poem
