Motto: Growing together in our Love for God, Learning and Life

Vision and Values rooted in scripture: "Train up a child in the way he should go; even when he is old he will not depart from it." Proverbs 22:6

School Vision – Pupils are accepted and loved. They understand their worth and potential as life-long learners and as a child of God.

The final amount for sponsor money collected is £4,014 - absolutely marvellous - thank you so much! :)

Y5 Cricket

Cricket was amazing!
We played 5 games and some wrap up games.

The first game was where we needed 1-0 to knock over the cricket poles. The second game was bowling a ball, the third was when we had to run before the ball hit the cricket poles. The 4th was where we hit the ball with the bat into the goal. The fifth was where we had to pass to each other to score 10 points in the other team's goal.

Everybody really enjoyed it and Jordan (our coach) was very kind.

READING BOOKS

We have recently carried out a book audit in school and our stock of reading and library books is quite low.

Please would you all have a good look at home and return any books to school. Thank you.

Problem Solving

Outdoor Element Year 6 2021

On Friday 7th May, Outdoor Elements came into school and spent the whole day with Year 6.

We got the chance to experience archery, problem solving and survival skills. In archery some of us were lucky and hit bullseye, in problem solving we did lots of challenges where we had to work as a team and in the survival part we made shelters that would protect us and keep us warm.

We had lots of fun and made lots of memories throughout the day.
