Dessert of the Day, Fresh Fruit or Fruit Yoghurt		Available Each Day	Available Each Day	Available Each Day	Available Each Day	Available Each Day

Due to a variety of severe allergies in school, please can ALL parents ensure that NO NUTS of any kind are used in packed lunches or snacks. This includes foods that may contain nuts, for example Nutella spread. Thank you for your support.

The more that you read,
the more things you will know.
The more that you learn,
the more places you'll go.

Birthdays this week:

Ethan Jude

Motto: Growing together in our Love for God, Learning and Life

Vision and Values rooted in scripture: "Train up a child in the way he should go; even when he is old he will not depart from it." Proverbs 22:6

School Vision – Pupils are accepted and loved. They understand their worth and potential as life-long learners and as a child of God.

School is closed for the half term holiday from Monday 31 May - Friday 4 June. We re-open on Monday 7 June.

Did you know:-

Mud play can be healthy and beneficial for children! Squishing and patting mud is a great way for your child to get tactile and develop learning skills with sensory play.

It also helps children get used to their natural environment and playing outdoors (and away from screens).

Don't worry that mud is "dirty." Exposure to some germs and good bacteria in early childhood may create healthier immune systems that are less vulnerable to allergies and certain diseases.

As long as they don't eat too much mud and avoid getting it in their eyes, nose or ears, mud play is generally safe and healthy! :)

3 PEAKS CHALLENGE

Miss Cronshaw, our Year 1 teacher, is raising money towards outdoor equipment/resources that our children can use!

She is going to be completing the Yorkshire 3 Peaks challenge on Sunday 30th May 2021.

All money will be donated to the school for our children. Please use the link below if you would like to donate. Many thanks!
