

The Rotary Club's Graham Charnley 'Heart of Gold' Award Winner 2021

Teyla, from Year 5, has won this year's Heart of Gold award from the Rotary Club.

Teyla donated 7 inches of her hair to Derian House for children's wigs for cancer patients. She also raised £250 for them.

Mrs Sherry and her mum, Mrs Charnley, were delighted to come to school to present Teyla with the award. Thank you and well done Teyla!

Mr Charnley was a devoted member of the Rotary Club and this award is given, in his memory, to a young person who has displayed an act of kindness.

We are on week 1 of the lunch menu next week

WEEK 1		Monday	Tuesday	Wednesday	Thursday	Friday

Happy Birthday this week to
Oakley, Lucian, Lexie, Rielley, Nadia and Tom

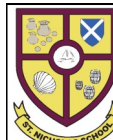

Due to a variety of severe allergies in school, please can ALL parents ensure that NO NUTS of any kind are used in packed lunches or snacks, for example Nutella spread.

Please be mindful of this when sending goodies into school for birthdays treats.

House points for this week: w/e 09/07/21

Motto: *Growing together in our Love for God, Learning and Life*

Vision and Values rooted in scripture: *"Train up a child in the way he should go; even when he is old he will not depart from it." Proverbs 22:6*

School Vision – *Pupils are accepted and loved. They understand their worth and potential as life-long learners and as a child of God.*

Interactive Critters Roadshow

On Tuesday 6th June the interactive critters roadshow came to our school. He brought lots of animals, now these are the animals: newts, toads, frogs, hedgehog, grass snake, legless lizards. Newts can push out their ribs as a defence mechanism. The best defence for toads is if it got killed the predator would eat its body but then get poisoned. We all enjoyed the interactive critters roadshow.

Mason, Year 4

The Bee Centre

On Thursday 8th July Amy the bee-keeper from The Bee Centre came to our school! Amy taught us that bees have black legs and wasps have bright yellow legs and the reason why wasps sting a lot more at the end of the winter is because they are drunk from the sugars in fallen fruits. The reason why adult wasps have more sugar than the younger wasps is the young wasps like meat but as they get older their tastebuds get older and they start to like sugar but have too much of it. She also taught us that the worker bees are all girls! They have to clean and they have to take all dying and dead bees out of the hive or honeycomb! They do this because if they leave them they will start to stink and become unhealthy. We also got to taste two types of honey. It was fascinating!

Tayah, Year 4

The raffle will be drawn on
Monday 12 July.
Tickets will still be available to buy
on Monday morning.

Please return any reading books/library books to school before we finish for the Summer break. Thank you.

Year R

Harley for truly exceptional progress in all areas of learning throughout the year.

Tom for his attitude to learning and the way that he treats others is exemplary, a true role model within the class.

Year 3

Academic: **Ziya** for working hard on her handwriting.

Values: **Euan** for always including everyone in games.

TTRS: **Mitzee** for gaining 314,000 coins!

Year 6

Academic: **Aaron F** for persevering in maths and learning how to measure angles with a protractor confidently.

Values: **Matthew** and **Emily** for respecting our school environment and tidying and organising the outdoor equipment.
