

We are hopeful to return to some normality when we return to school in September after the Summer break.

There will be no staggered starts or ends to the school day. The doors will open at 8.45 am with the expectation for all children to be in class by 8.50 am when learning begins. The end of the school day will be 3.05 pm for all pupils.

PE kits should be brought to school on the first day and can be left in the cloakroom. Full uniform and school shoes should be worn each school day.

The wearing of masks from September will be left to your own personal choice. From September only positive case test results and close contacts will have to Isolate – no bubbles will have to close.

I would like to thank you for your support with the LCC safety measures over the last 16 months and for all your hard work with home learning.

The housepoint winners this term were James who were treated to an ice cream yesterday.

All the raffle prizes have been claimed - thanks again for your support.

Many, many thanks to everyone for all the lovely cards and gifts received in school - they are much appreciated.

May I take this opportunity to wish you all a wonderful summer, a well deserved rest and hope that you are able to spend some quality time with your loved ones.

We will see you back in School on Thursday 2 September.

Due to a variety of severe allergies in school, please can ALL parents ensure that NO NUTS of any kind are used in packed lunches or snacks, for example Nutella spread. Please be mindful of this when sending goodies into school for birthdays treats. Thank you.

**Motto:** *Growing together in our Love for God, Learning and Life*

**Vision and Values** rooted in scripture: *"Train up a child in the way he should go; even when he is old he will not depart from it." Proverbs 22:6*

**School Vision** – *Pupils are accepted and loved. They understand their worth and potential as life-long learners and as a child of God.*

## A HUGE THANK YOU

I would like to take this opportunity to say an enormous thank you to the children, staff, parents, carers and governors for their support throughout the academic year.

I am incredibly proud of how hard everyone has worked during the year and hope everyone takes the Summer to rest and enjoy special moments with their family and friends.

I am sure you will agree that our staff team deserve a huge thank you. They have been a constant source of positivity and light over the last 16 months and have cared for your children as if they were their own, despite the challenges we have all faced.

We would also like to say **Goodbye and Good Luck** to Miss Taylor who is leaving us today. We send you all good wishes for the future.

## THE ROCKET DAY

Last Friday Steve and Pete who work for Starchaser came to our school and brought a big rocket but of course they didn't launch the big one. They brought small rockets with fuel in and it was cool to watch. In the afternoon we made our own mini rockets and with added pleasure they went really high!
