

Motto: *Growing together in our Love for God, Learning and Life*

Vision and Values rooted in scripture: "Train up a child in the way he should go; even when he is old he will not depart from it." Proverbs 22:6

School Vision – Pupils are accepted and loved. They understand their worth and potential as life-long learners and as a child of God.

SCHOOL'S REFLECTION AREA

Mrs Judge and Mrs Russell have worked hard with our school Eco group to create a wonderful reflection area where children can come and sit quietly with their friends.

Father Terry and Father Ashton would surely approve of this peaceful and calm area.

OUR VISITOR TO SCHOOL

Last Friday during our English lesson we had a visitor called Gareth Walker, from Literacy Kicks. He is a sports journalist. He came to tell us all about rugby and we had to write down a newspaper article about what happened. We would write some key facts about what happened during the game for example, about who won, who scored the goals and more. The game was against Denmark and England. England had won the semi-finals and it was the first time they have ever won. Gareth had told us a bit about himself before he became a journalist. Everyone made notes for some ideas. It was very interesting - thank you.

By Zarah, Year 6

On Friday Gareth Walker came into school and taught us all about sports journalism. He has been doing this for 20 years and knows a lot about it. We even got to make up our own newspaper - Gareth helped us with the notes though. We all loved it and would love to do it again.

UKULELE PERFORMANCE - Parents of Y3, Y4 and Y5 pupils are invited into school at 2.00 pm on Thursday 7th July to listen to a ukulele performance (approx 20 minutes).

BIKEABILITY

On Wednesday 22nd and Thursday 23rd June, most of the Year 6 class took part in bikeability. We learnt how to ride our bikes safely on the busy roads and on quiet roads. On Wednesday morning we learnt how to check our bikes are safe and learnt to signal to a car to show if you're going left or right.

On Thursday morning, we were all put into four different groups and we all went on the main roads near Accrington Academy. In the afternoon some people went on more safety lessons while some went on bike rides.

It was very hot and we did lots of fun things and everybody enjoyed it! At the end everybody was extremely hot and bothered and also tired. *By Katie and Gretel, Year 6*
